

# Huon Valley Open Calcutta

Friday 17 January 2025 @ 6pm

## Pre-purchase tickets

Tickets are \$1 each.

Each ticket represents a chance to 'own' a player in the Huon Valley Open. A random draw prior to the auction determines who 'owns' which player.

## Auction

All players are auctioned off to the highest bidder.

If the **ticket holder wins the auction**, they only pay **half the auction price**.

If someone else wins the auction, the **ticket holder is paid half the auction price**.

## Example

- Player 1 is drawn to John (ticket holder).
- Sarah participates in the auction and has the winning \$100 bid for player 1.
- John (ticket holder) is paid \$50.
- Sarah (the winning auction bidder) pays \$100 and now has the player in the Open.

## Strategy

You own the player. It is in your best interest to increase that player's value so that you earn more money. Drive the bid up yourself!

## Why join the Calcutta?

Great night of entertainment and food.

Exciting auction. Bid on your favourite players and compete for ownership.

Big payouts: **Total Calcutta payouts for last year's winners were over \$6,500.**
